# EDUCATING A NATION.

## BEGINS WITH THE YOUTH OF WHITE EARTH.

**ABOUT THE SHOOTING STAR SCHOLARSHIP** In an effort to support higher education within the White Earth Nation, Shooting Star has founded the Shooting Star Scholarship Fund for scholarships to be awarded to White Earth students. Since the scholarship was established in 2012, Shooting Star has raised over \$243,000 with 188 students awarded scholarships. In 2020, 13 well-deserving graduating seniors from the White Earth Nation were awarded scholarships, and 17 graduates in 2021.

The annual golf tournament raises money and awareness for the annual Shooting Star Scholarship. All tournament profits go to the scholarship fund.
